THE
ART
OF CHARLES

CHARLES
PARIS

*Your desires meet up with our ideas, tradition and modernism and the intelligence of hand and metal: Let there be light. Beautiful, warm, elegant.
Signed Charles.*

In the workshop, ten faithful artisans perpetuate one-hundred years of exceptional know-how. The tradition of excellence has become the standard, motivated by passion. Men who have devoted their talent and expertise to the service of a creating unique lamps: interior jewellery sculpting light.

Each piece is a jewellery-makers dream. Conceived, designed, poured, engraved, filed, polished, smoothed, processed, cleansed, varnished... passing from one experienced hand to the next. Artisanal prowess, expressed with the greatest of care.

Beyond periods and styles, Charles produces exceptional quality.

With a heritage of approximately 1,500 different models which is enriched year by year with new signature creations in collaboration with great designers.

This catalogue illustrates a sampling of our lines which can be tailored as you please to match your own personal interior. Dimensions, colours, orientations and shapes are all customisable. The kind of customisation that is still considered to be a privilege of great artists.

Welcome to the exclusive "Maison de Création Charles" club.
